SUPPLEMENTARY INFORMATION:

Title of Collection: Generic Information Collection for the Collection of Qualitative Feedback on Bureau Service Delivery.

OMB Control Number: 3170–0024.

Type of Review: Extension of a currently approved information collection.

Affected Public: Individuals; Private sector; and State, Local, or Tribal Governments.

Estimated Number of Respondents: 500,000.

Estimated Total Annual Burden Hours: 125,000.

Abstract: This generic information collection plan provides for the collection of qualitative feedback from consumers, financial institutions, and stakeholders on a wide range of services the Bureau provides in an efficient, timely manner, in accordance with the Bureau’s commitment to improving service delivery. By qualitative feedback, the Bureau means information that provides useful insights on, for example, comprehension, usability, perceptions, and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. The Bureau expects this feedback to include insights into consumer, financial institution, or stakeholder perceptions, experiences, and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative, and actionable communications between the Bureau and consumers, financial institutions, and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will be of practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: November 9, 2021.

Anthony May,
Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.

Under 34 CFR 75.105(c)(2)(i), we award an additional five points to an application that meets this priority.

This priority is:

Continuation of Previously Funded Tribal Programs.

III. Eligibility Information

1. Eligible Applicants: Applications may be made only by Indian Tribes (and consortia of those Indian Tribes) located on Federal and State reservations. The definition of "Indian Tribe" in section 7(19)(B) of the Rehabilitation Act is "any Federal or State Indian tribe, band, rancheria, pueblo, colony, or community, including any Alaskan native village or regional village corporation (as defined in or established pursuant to the Alaska Native Claims Settlement Act) and a tribal organization (as defined in section 41 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b(1))."

"Reservation" is defined in 34 CFR 371.6 as "a Federal or State Indian reservation, public domain Indian allotment, former Indian reservation in Oklahoma, land held by incorporated Native groups, regional corporations and village corporations under the provisions of the Alaska Native Claims Settlement Act; or a defined area of land recognized by a State or the Federal Government where there is a concentration of tribal members and on which the tribal government is providing structured activities and services."

The applicant for an AIVRS grant must be—

(1) The governing body of an Indian Tribe, either on behalf of the Indian Tribe or on behalf of a consortium of Indian Tribes; or

(2) A tribal organization that is a separate legal organization from an Indian Tribe.

To receive an AIVRS grant, a Tribal organization that is not a governing body of an Indian Tribe must—

(1) Have as one of its functions the vocational rehabilitation of American Indians with disabilities; and

(2) Have the approval of the Tribe to be served by such organization.

If a grant is made to the governing body of an Indian Tribe, either on its own behalf or on behalf of a consortium, or to a Tribal organization to perform services benefiting more than one Indian Tribe, the approval of each such Indian Tribe shall be a prerequisite to the making of such a grant.

2. a. Cost Sharing or Matching: Cost sharing is required by section 121(a) of the Rehabilitation Act and 34 CFR 371.40 at 10 percent of the total cost of the project.

b. Indirect Cost Rate Information: This program uses an unrestricted indirect cost rate. Applicants for this program are the governing bodies of Indian Tribes (or consortia of governing bodies) and have negotiated indirect cost rate agreements with a cognizant agency if indirect costs will be charged to the grant. For more information regarding indirect costs, or to obtain a negotiated indirect cost rate, please see www2.ed.gov/about/offices/list/oefo/intro.html.

 administrative expenses must be reasonable and necessary and conform to Cost Principles described in 2 CFR part 200 subpart E of the Uniform Guidance.

3. Subgrantees: A grantee under this competition may not award subgrants to entities to directly carry out project activities described in its application. While subgrants are not permitted, under 34 CFR 371.42(a), grantees are permitted to provide the VR services by contract or otherwise enter into an agreement with a designated State unit (DSU), a community rehabilitation program, or another agency to assist in the implementation of the Tribal VR program, as long as such contract or agreement is identified in the application.

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.4, and 110.23).

Applicants for the AVIRS program must provide evidence regarding the following special application requirements in 34 CFR 371.21(a)-(k). The application package includes a Special Application Requirements form in Section D that must be completed. An application is not complete without the Special Application Requirements form, provided in the application package, and will not be considered for review without that completed form. These requirements are:

(a) Effort will be made to provide a broad scope of vocational rehabilitation services in a manner and at a level of quality at least comparable to those services provided by the designated State unit.

(b) All decisions affecting eligibility for vocational rehabilitation services, the nature and scope of available vocational rehabilitation services and the provision of such services will be made by a representative of the Tribal vocational rehabilitation program funded through this grant and such decisions will not be delegated to another agency or individual.

(c) Priority in the delivery of vocational rehabilitation services will be given to those American Indians with disabilities who are the most significantly disabled.

(d) An order of selection of individuals with disabilities to be served under the program will be specified if services cannot be provided to all eligible American Indians with disabilities who apply.

(e) All vocational rehabilitation services will be provided according to an individualized plan for employment which has been developed jointly by the representative of the Tribal vocational rehabilitation program and each American Indian with disabilities being served.

(f) American Indians with disabilities living on or near Federal or State reservations where Tribal vocational rehabilitation service programs are being carried out under this part will have an opportunity to participate in matters of general policy development and implementation affecting vocational rehabilitation service delivery by the Tribal vocational rehabilitation program.

(g) Cooperative working arrangements will be developed with the DSU, or DSUs, as appropriate, which are providing vocational rehabilitation services to other individuals with disabilities who reside in the State or States being served.

(h) Any comparable services and benefits available to American Indians with disabilities under any other program, which might meet in whole or in part the cost of any vocational rehabilitation service, will be fully considered in the provision of vocational rehabilitation services.

(i) Any American Indian with disabilities who is an applicant or recipient of services, and who is dissatisfied with a determination made by a representative of the Tribal vocational rehabilitation program and files a request for a review, will be afforded a review under procedures developed by the grantee comparable to those under the provisions of section 102(c)(1)–(5) and (7) of the Rehabilitation Act.

(j) The Tribal vocational rehabilitation program funded under this part must assure that any facility used in connection with the delivery of vocational rehabilitation services meets facility and program accessibility requirements consistent with the requirements, as applicable, of the Architectural Barriers Act of 1968, the Americans with Disabilities Act of 1990, section 504 of the Rehabilitation Act, and the regulations implementing these laws.

(k) The Tribal vocational rehabilitation program funded under this part must ensure that providers of vocational rehabilitation services are able to communicate in the native language of, or by using an appropriate mode of communication with, applicants and eligible individuals who have limited English proficiency, unless it is clearly not feasible to do so.

3. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.206, before awarding grants under this competition the Department conducts a review of the risks posed by applicants. Under 2 CFR 200.208, the Secretary may impose specific conditions and, under 2 CFR 3474.10, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. Integrity and Performance System: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $250,000), under 2 CFR 200.206(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.

5. In General: In accordance with the Office of Management and Budget’s guidance located at 2 CFR part 200, all applicable Federal laws, and relevant Executive guidance, the Department will review and consider applications for funding pursuant to this notice inviting applications in accordance with:

(a) Selecting recipients most likely to be successful in delivering results based on the program objectives through an objective process of evaluating Federal award applications (2 CFR 200.205);
(b) Prohibiting the purchase of certain telecommunication and video surveillance services or equipment in alignment with section 889 of the National Defense Authorization Act of 2019 (Pub. L. 115–232) (2 CFR 200.216);

(c) Providing a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States (2 CFR 200.322); and

(d) Terminating agreements in whole or in part to the greatest extent authorized by law if an award no longer effectuates the program goals or agency priorities (2 CFR 200.340).

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Open Licensing Requirements:

Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. Reporting:

(a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.116. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/aply/appforms/appforms.html.

5. Performance Measures:

For the purposes of the Government Performance and Results Act of 1993 (GPRA), and reporting under 34 CFR 75.110, the Department has established four performance measures for the AIVRS program. The measures are:

(a) Of all those exiting the program, the percentage of individuals who leave the program with an employment outcome after receiving services under an individualized plan for employment (IPE).

(b)(1) The percentage of individuals who leave the program with an employment outcome after receiving services under an IPE.

(2) The percentage of individuals who leave the program without an employment outcome after receiving services under an IPE.

(c) The percentage of individuals who have not left the program and are continuing to receive services under an IPE.

(d) The percentage of projects that demonstrate an average annual cost per employment outcome of no more than $35,000.

(e) The percentage of projects that demonstrate an average annual cost of services per participant of no more than $10,000.

Each grantee must annually report the data needed to measure its performance on the GPRA measures through the Annual Performance Reporting Form (APR Form) for the AIVRS program.

Note: For purposes of this section, the term “employment outcome” means, with respect to an individual, (a) entering or retaining full-time or, if appropriate, part-time competitive employment in the integrated labor market; (b) satisfying the vocational outcome of supported employment; or (c) satisfying any other vocational outcome the Secretary of Education may determine to be appropriate (including satisfying the vocational outcome of customized employment, self-employment, telecommuting, or business ownership). Section 7(11) of the Rehabilitation Act (29 U.S.C. 705(11)).

6. Continuation Awards:

In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee’s approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
