Blind Vendor Attestation

I, _____ was a licensed blind vendor in the Louisiana Business Enterprise Program for the Blind during the calendar year of 2020.

I had documented financial losses of \$ _____ in lost inventory, as well as \$ _____ in net income for 2020, in comparison to the year 2019. My total losses = \$ _____.

The State Licensing Agency, in collaboration with the Louisiana Elected Committee of Blind Vendors defined otherwise compensated as income reported on monthly profit and loss statements.

For this attestation, "otherwise compensated" is defined as only revenues reported on my BEP monthly ledgers. PPP and SBA loans, unemployment, and SSDI are not considered "otherwise compensated" as these items are either not reported on my BEP monthly reports to the program or they are required to be repaid.

My signature below indicates my confirmation of this loss and that it was not otherwise compensated.

I understand I am solely responsible for this declaration and that I could be subject to monetary penalties and or disciplinary action should my attestation be found to be untrue.
