I, __(name of blind vendor)_____, am a blind vendor in the Oklahoma Business Enterprises Program (BEP).

This Attestation is supported with the attached BEP profit and loss report which compares net profit for my business in calendar year 2019 and 2020.

My loss due to the Covid-19 Pandemic as calculated from the BEP Profit and Loss reports were:

Loss of revenues as calculated were \$__(diff between 2019 & 2020)_____.

My signature below indicates my confirmation of this loss and that it was not otherwise compensated.

I understand I am solely responsible for this declaration and that I could be subject to monetary penalties and or disciplinary action should my attestation be found to be untrue.

For this attestation, “otherwise compensated” is defined as only revenues reported on my BEP monthly ledgers. PPP and SBA loans, unemployment, and SSDI are not considered “otherwise compensated” as these items are not reported on the BEP monthly ledgers to the program or they are required to be repaid.

Based on the loss of revenues from above, the amount of FRRP funds to be distributed through the approved method are \$__(FRRP Proceeds)_____. This represents my full claim against the funds appropriated to Oklahoma through the Consolidated Appropriations Act of 2021, PL 116-260, Division H, Title III, section 318.

I state under penalty of perjury under the laws of the State of Oklahoma that the foregoing is true and correct.
